July 27, 2019: Investiture and Award Ceremony:

"Never give up. Never stop believing. Never stop fighting. Never say never."

The Mindtreans exhibited their never say never attitude at the Annual Investiture and Awards Ceremony. The whole school was filled with ardour prepping up for the promising day. The propitious day was presided over by Dr. Achla Trehan, head of the Chemistry department at Post Graduate Government College, Sector 11, Chandigarh.

The Investiture Ceremony commenced with the traditional lamp lighting as a tribute to Goddess Saraswati. The newly elected Council Members were adorned with their powers and badges by the School Principal, Ms. Harveen Kaur, Director, Dr. Sanjay Kumar and the woman of the hour, Dr.

Trehan. The newly elected torch bearers of Mind Tree strutted proudly amongst the awestruck audience. The oath taking ceremony reflected upon the duties of the council members and how they will diligently fulfil these duties. The Head Boy and the Head Girl of the school addressed the gathering promising to take on their duties with truth, conviction and devotion. A stimulating song performance by the school choir lifted the spirits of the council members as well as the audience. The ceremony concluded with a congratulatory address by the School Principal, Ms. Harveen Kaur.

The Investiture Ceremony was followed by the Award Distributing Ceremony for the session 2018-19. The Award Giving Ceremony celebrated the joy and achievements of the young and talented Mindtrean Masterminds. The awards were consigned in seven categories wherein the students were recognized for their excellence in academic pursuits, their outstanding performance in cocurricular activities and their dedication towards serving the community and the nation at large. The occasion was a platform that honoured the students, teachers and parents for their concerted efforts. The awards were presented by the chief guest for the ceremony, Dr. Achla Trehan, Ms. Harveen Kaur and Dr. Sanjay Kumar. A celebratory dance performance added to the festivities as everyone enjoyed the wonderful act. The ceremony concluded with the encouraging words of Dr. Achla Trehan whose ideas resonated with the parents and garnered a lot of applause.

August 10, 2019: Annual Dramatics House Show:

"A nation without the knowledge of its history is like a tree without roots."

Mind Tree School unmasked historical events and the labour that went into making these events historical. All the four school houses participated enthusiastically and showcased their hidden talents. The show named, 'Unveiling History' was a huge success and depicted the stories behind the major historical events that made India the remarkable country that it is today. The erudite show started with the blessings of Goddess Saraswati as the school choir opened the show with saraswati vandana. The function was presided over by the illustrious pedagogues, Dr. Prem Felix Siril and Dr. Jaspreet Kaur Randhawa from IIT Mandi.

The first house to present was Agni House which highlighted the evil practice of Sati and the hardwork of Raja Ram Mohan Roy in abolishing sati. Aakash house presented the rise of the Sikh empire and events from the heydays of the Sikh empire. Jal house and Prithvi house represented the struggles faced by the Indians during their freedom struggle. The heart rending representation of the Partition and the Jallianwala Bagh Massacre took the audience back in time. The awards of the day were presented soon after. The five awards focused on the best actor, the best supporting actor, the runners up, best scene and the best house.

The best house trophy was bagged by the Jal House for their true representation of the Partition of India. Prithvi house bagged the rest of the awards as the cheers of the participants echoed through the auditorium. The show culminated with the motivational words of the chief guests and the recital of the of the school song.

"School's out, Summer's in. Let the drama stop and the fun begin."

Every summer has its story and Mind Tree School added oodles of fun to the story by organizing its Annual Summer Camp. The summer camp saw the participation of Mindtreans and students from other schools as well. The mingling of different schools provided an opportunity for strangers to become friends and friends to become family.

The camp brought out the best in everyone and gave them a chance to energize themselves in the sweltering heat. The summer camp offered a plethora of activities ranging from fusion dance, painting, skating, art and craft and other fun activities to keep the children gainfully occupied for the entire span. These activities also helped in instilling different virtues in children. They perused values like friendship, fraternity, love, and understanding among others.

The Finale witnessed the culmination of the fun and frolic which transpired into a starlit show. The campers enthusiastically showcased their talents on the stage in front of their parents and other members of the school present in the school auditorium. The campers unleashed their hidden potential and presented a panorama of cultural and sports activities. The sizzling dance performances and amusing skating stunts certainly left the audience in awe. Art Exhibition was another sizzling feather in the caps of the campers as it reflected their endeavour to excel at different art forms. The finale came to an end with a special thanks to the children and to the whole team involved in making this summer camp a success.

Sports Camp

"Everyone has the desire to win but only the champions have the desire to prepare."

The two week long Summer Sports Camp concluded with a star studded finale which saw the participation of International Players who motivated the young participants to work hard and to reach the pinnacle of their talents.

The Sports Camp offered games like Skating, Badminton and Cricket which were headed by experienced coaches. The finale was the time to reap fruits of the effort put in by the participants as the day witnessed friendly matches between home teams and guest teams.

There was a stiff competition between all the teams and the matches were held in the school campus. The campers participated with zeal and agility as each one of them tried to showcase the best of their abilities. The in school competitions saw the school students and the campers competing with enthusiasm. The friendly cricket match that took place right around the time of the World Cup enhanced the passion and the energy of the audience as well as the players. The Skating rink was also abuzz with excitement as it witnessed International Players competing against each other and rallied up the enthusiasm of the young campers. The Badminton Matches added fervour to the already excited campus.

The camp made the vacations more exuberant for the participants as they got an opportunity to pursue their crafts and gain the pristine art of playing. Participants were rendered with a professional and pleasant framework to hone their skills. Apart from playing, they also got a chance to learn about the various virtues that are associated with sports. They acquired life skills like patience, teamwork, leadership, sportsmanship etc through their participation in this sports camp.

August 26, 2019: Trip to Places of Worship - Nursery:

"It is time for parents to teach young people early on that in diversity there is beauty and there is strength."

—Maya Angelou

India is a diverse land, where people from various cultures come together. What better way to educate our students about the religious diversity of their secular nation than taking them to the various places of worship. Our nursery students were taken for a visit to a Temple, a Gurudwara and a Church, to instil the feeling of equality among all religions and live in peace and harmony despite the differences.

August 27, 2019: Speech Competition - Nursery:

"Don't ever diminish the power of words. Words move hearts and hearts move limbs." - Hamza Yusuf

The mixture of a healthy thought and the power to convey it through one's voice is the most powerful tool we can possess. Encouraging students at such a young age to speak up on the importance of healthy food and what good it does to them, over irresistible fast food educates them to live healthy. Also the activity embeds knowledge into the minds of these young ones along with improving their communication skills.

September 11, 2019: Arty Crafty Clay Modelling Competition - UKG:

'Art is ability to bend things most people see as a straight line.'

Clay modelling is not just a fun activity for students but also a means of teaching them that their efforts can make a difference. Properties of clay have a striking similarity to a child's brain. It can be moulded into the best way possible and the finished result will be a well-enriched human being. Manipulating clay and creating shapes out of it develops their gross motor skills and provides a crafty edge to their vulnerable minds.

September 17, 2019: Table Manners Competition - Nursery:

'Your age doesn't define your maturity, but your manners will always do.'

Manners, etiquettes and discipline are the core values of a human being. Where a school is given the duty to impart knowledge to its students, developing a student into a person as a whole is also a responsibility. At Mind Tree, we believe in imbuing the students with good table manners so that they learn the importance of eating well no matter when and where.

September 27, 2019: Visit to International Dolls Museum - Nursery:

'A nation's culture resides in the hearts and in the soul of its people.'

What are dolls but a non-living yet lifelike representation of the human race, which when adorned with the diverse cultures all around the world, serve as a spectacular treat for our eyes. Our students of grade 1 were taken for a ride to the Dolls Museum, where they confronted the cultural diversity of the numerous states as well as nations around the world.

GRADE I - IX

May 14, 2019: Trip to Japanese Garden - Grade I:

'A garden is nature's most beguiling paragon.'

Gardens are a paradise for nature lovers. They are also one of the most loved places by children. The younger ones enjoy having fun and frolic amidst the lap of nature. Japanese Garden is a wonderful blend of water bodies, pagoda towers, waterfalls and golden bamboos. The Japanese touch given to the garden fascinated the children and gave them a lot to learn.

May 17, 2019: Visit to Doll Museum - Grade II:

'Dolls are safe companions.'

Dolls speak directly to children in a manner that nobody else can. The trip to Doll Museum was one such journey that helped the students in enhancing their knowledge with the help of their favourite companions – Dolls. The journey around the museum was more like a dream wherein the students got to live through various fairytales and historical moments through the medium of dolls. Students had a learning experience as they got an insight into the cultural ethnicity of India. The treasure trove of learning and pleasure was thoroughly enjoyed by the students.

May 24, 2019: Suhavne Akhar Competition - Grade III - V:

'Calligraphy is the music of writing.'

The young scribblers scribbled their hearts out as they wove up beautiful words intricately. They showcased their visual perceptions of letters as they produced beautiful sheets replete with neat and graceful handwriting.

September 19, 2019: Visit to Japanese Garden - Grade II:

'A person without the knowledge of his past, history and culture, is like a tree without roots.'

We might be separated by the diversities of the vast and varying cultures around the world, we might be demarcated by borders and divided by languages but what unites us all is mankind. We share history and hence should learn to respect each other's. A trip to Japanese Garden had been organized to inculcate in our students the knowledge about Japanese cultures and architecture. They were more than amazed to see Pagodas, Dragons, Turtles and different kinds of statues and had a worthwhile experience evident by their gleaming faces.

September 23, 2019: Kavita Ucchaanran Competition - Grade I - II:

As Robert Frost said, "Poetry is when an emotion has found its thought and the thought has found words."

Poetry is what flows when you stop thinking and all you do is feel. Poetry itself is an art- a superfluous array of emotions penned down with a rhythm to it. It is one of highest regarded forms of literature and our students respect this fact. Hence, they were provided with an opportunity to exhibit their flair for reciting poems with high spirits and confidence. Enthusiastic and zealous participation was witnessed.

July 12, 2019: Special Assembly on Malala Day Celebration:

“One child, one teacher, one book and one pen can change the world.” – Malala Yousafzai

Malala Yousafzai, the epitome of courage and the youngest role model for children was celebrated in the premises of Mind Tree School. Students acknowledged her determination and grit by presenting an erudite assembly. The assembly showcased the struggle that Malala had to go through in order to provide basic education to girls in her valley. Soulful songs, engrossing articles and enlightening videos were showcased that motivated the students to follow her footsteps and achieve the amount of success and recognition that she has received all over the World. The assembly culminated with the congratulatory words of the school principal, Ms. Harveen Kaur who recognized the toiling efforts of Malala and triggered a thought provoking thread amongst the children through her motivational words.

August 15, 2019: Special Assembly on Independence Day Celebration:

“The secret to happiness is freedom and the secret to freedom is courage.”

The celebration of Freedom which was witnessed all throughout the nation on 15th of August was celebrated with great zeal in the grounds of Mind Tree as well. The whole school was decked up in tri colour and oozed the flavours of freedom and sacrifice. Mindtreeans started the festivities with the hoisting of the flag which was done by the School Principal, Ms. Harveen Kaur and Director, Dr. Sanjay Kumar. The unfurling of the flag was followed by the soulful National Anthem which was sung by the whole school. The cultural programme begun soon after the hoisting of the flag. Students carried along the vibrant Tri Colour, glorifying their nation that added more colour to the bright day. A heart rendering performance of an eloquent patriotic song made everyone emotional. The song glorified the real heroes of the nation who lost their lives for the freedom of their country. A motivational and patriotic address by the school principal helped in imparting moral values to the students. The celebrations came to an end with loud cheers of 'Jai Hind' by the students in the name of their glorious motherland.

August 24, 2019: Special Assembly on Janamashtami Celebration:

Lord Krishna who is considered an avatar of the God Vishnu is greatly revered and respected in our country. The birth of Lord Krishna is celebrated with great devotion and enthusiasm. It is a day full of festivities and gaiety. The same spirit was reflected in the special assembly that was curated by the young Mindtreeans of Grade I. The students were dressed up in bright hues and spread cheer through the auditorium. The audience revelled in the festivities and swayed completely in harmony with the performers. Lord Krishna bestowed his bounty upon the audience and the performers while sitting on his lofted perch. The students presented lively dances, devotional songs and descriptive speeches about the aesthetics and splendour of Lord Krishna. The whole school chanted holy hymns in unison and converted the ambience into a state of trance. The function culminated with an eloquent dance performance. School Principal, Ms. Harveen Kaur addressed the audience and congratulated everyone on this auspicious occasion. She shared some encouraging words with the students and motivated them to follow the commendable teachings of Lord Krishna.

September 06, 2019: Special Assembly on Teacher's Day Celebration:

‘The influence of a great teacher can never be erased.’

Mind Tree celebrated this mirthful day in the school premises with great enthusiasm. The special assembly was put up by the students of Grade VIII and IX who envisaged and presented an amalgamation of traditional and modern presentations. The teachers were treated as celebrities as they were given

remarkable reception. Small plays depicting the hardships faced by the students and how teachers uplift them during adversities were very encouraging. Some common dialogues used by teachers all over delighted the audience and filled up the auditorium with peals of laughter. The show stopping performance captured everyone's attention as each person present at the venue wanted to dance to the beat of bhangra. The assembly culminated with a special address by the school principal, Ms. Harveen Kaur. She appreciated the efforts of the students and congratulated the teachers. Her motivational words encouraged the students to celebrate each day as teachers day. The day ended with the mingling of teachers and students as they all danced together merrily, reveling in the festivities.

‘Grandparents – Ears that truly listen, arms that always hold, love that's never ending and a heart that's made of gold.’

Mindtree School celebrated Grandparents Day with extreme vigour and enthusiasm in the auspicious presence of the Grandpas and Grandmas of our Nursery students. A fun filled programme driven by the tiny tots shaking and twirling on the stage to cheer their elderly companions, followed by inquisitive questionnaires which gave us insights into the childhood memories of our grandparents. The celebrations made sure that our evergreen guests for the day put their hearts out as they cherished memories with light hearted songs, accompanied by very cheerful and high spirits of our grandparents-turned-models who walked the ramp like they owned every inch of it. Their zeal was hand in hand with the wisdom they had to offer us in the form of words wrapped in honey. In all it was an unforgettable experience which best concluded with the lines *“Zindagi pyaar ka geet hai, ise har dil ko gaana padega!”*

EDUCATOR'S CORNER

June 11, 2019: Workshop on Communication Skills:

The workshop was conducted by esteemed resource person, Dr. Rakesh Sachdeva. The training module was comprehensive and encompassed the significance of effective communication skills for teachers, verbal and non-verbal communication, formal and informal communication, effective body language, sense of humour, etcetera. The workshop also focused on the four cardinal skills of language learning, viz. Listening, Speaking, Reading and Writing and the ways and means of developing these skills in students. The session was interspersed with short stories, personal anecdotes, movie clippings and shots of humour which went a long way in making the session all the more interactive and engaging. The session culminated on a laudatory note, accentuating the role of effective communication skills in classroom management, positive motivation, enhancement of the pedagogical processes, improving productivity at the workplace and reduction of conflicts

July 05, 2019: Face to Face Workshop (Child – centered teaching and sensitivity training workshop):

The art of being sensitive with the empathetic understanding and assertiveness is the pioneer of great team work in the school environment. The school staff came together to have an elucidated discussion about the betterment of class and the students who are the centre of attention in the classroom. The workshop was orchestrated by the school counsellor, Ms. Swatee Sadana. She took up discussions on the role of teachers and the sensitive issues that escalate in the class.

The idea was to give each student, child-centered and empathetic academic proficiency, the core area of expertise that we at Mind Tree School ensure in all spectrums.
