ANNUAL FUNCTION CELEBRATION

"Between the lights and the stage is a lovely place to be."

A fusion of talent transpired on the stage as Mind Tree School celebrated its Annual Day for the different wings of the school. The function was interlaced with different themes. The amalgamation of themes made for a wonderful day as joy and merriment echoed throughout the school. The celebration of our Community Helpers, the love hidden in Grandpa's Tales and the last Chance of Survival for Humans were the themes that marked the success of the show. Mindtreeans expressed themselves in vivid ways as they put their best foot forward and showcased their unparalleled talent on the stage. The function was divided into three phases and those three phases were depicted through three different themes. One of the phases was presided over by the eminent educator and philanthropist, Dr. Hem Nagpal. She thoroughly enjoyed the show and even shared the insights gained from the show with the audience present there. The enthralling days culminated with the school song and an address by the School Principal, Ms. Harveen Kaur.

100 DAYS CELEBRATION

"Teaching children is an accomplishment; getting children excited about learning is an achievement."

Mind Tree School observed its annual 100 Days show for the kindergarten wing. The programme showcased the knowledge gained by our little Mindtreeans and the wholesome development of the tiny tots who completed their hundred days of learning in school. The achievements focused on the depth of understanding of the tiny Mindtreeans who presented the show with elan and thoroughly enjoyed displaying their talents. Dressed with smiles and starry eyes, the children presented themselves in a flawless manner. This cauldron of talent reflected upon various skills like reading, writing, basic arithmetic functions and comprehensive abilities of the children. The frequent poem recital sessions added a joyful flavor to this brewing cauldron as the dancing flowers displayed an amalgamation of audio and visual wonders which soothingly resonated throughout the surroundings.

October 05, 2019: Visit to Pingalwara – Grade V - VI:

Helen Keller once said, *"Although the world is full of suffering, it is also full of the overcoming of it."*

On the note of this beautiful yet realistic thought, the students of grade 5 were taken to visit a house of differently abled people and experience their approach towards life. It is important for students to realize the hardships they face and also the importance of treating them well. Students understood the fact that the people visited were not disabled, but differently abled.

October 05, 2019: Visit to Museum – Grade III - IV:

The National History Museum contains exhibits featuring fossils, model dinosaurs, exquisite hand-embroidered pictures of birds and a diorama with a caveman using an electric torch to illuminate his cave art! The students walked around with curiosity in their heads about the history of mankind. They had a great time and gained a lot of knowledge throughout their visit.

October 05, 2019: Visit to Pinjore Garden – Grade VII - IX:

Pinjore Gardens is a beautiful Mughal Garden made in 17th Century India located in the city of Pinjore, in the district of Panchkula, Haryana. The garden expands over a massive area of 100 acres and is a beautiful place to unwind with nature in the ever-growing concrete city. The Pinjore garden is also known as Yadvinder Garden which is famous all

over the world for its well-maintained greenery, refreshing fountains and mesmerising water bodies. Students experienced this Mughal creation that India has very proudly and carefully maintained.

October 10, 2019: T-Shirt Painting Competition – Grade VIII - IX:

'Art is a line around your thoughts.' –Gustav Klimi

What better way to express your thoughts than by wearing them. Senior students of Mind Tree picked up their paint brushes and splashed colours on blank t-shirts to create something they would be proud to don. It was a fun filled activity where students painted their superheroes, be it Captain America or Shaheed Bhagat Singh.

October 01, 2019: Special Assembly on Gandhi Jayanti:

“In a gentle way, you can shake the world.” - Mahatma Gandhi

The father of the Nation who has been known for his gentle ways and stern determination was celebrated at Mind Tree School. The young Mindtreeans recited beautiful poems and chanted Gandhi's favourite hymns. The song, 'Aja re Bapu aja re' invoked the spirit of Nationalism in the audience as it talked about the modern issues faced by the country and how the country needs him more now than before. A musical play focusing on the different facets of Gandhi's life taught the audience about self worth, truth, non violence and the most important quality of standing tall in the face of adversities. The play also encouraged the students to believe in simple living and imparted knowledge about the qualities and uses of Khadi. The assembly culminated with a special address by the School Principal, Ms. Harveen Kaur who encouraged the students to follow the path of truth and righteousness.

October 07, 2019: Special Assembly on Dusshera:

On the auspicious occasion of Dussehra, which marks the triumph of Lord Rama over evil Ravana, grades I B and D put forth an astounding dramatic portrayal of the legend of Lord Rama which concluded by conveying the message of victory of truth and good over treachery and evil. A soulful hymn recited by the students left the audience spell bound which encompassed the message of triumph of righteousness over evil. The celebrations concluded with an interactive session that the School Principal, Ms. Harveen Kaur had with the school students. The students came up with delightful ideas and shared their perceptions with their peers. Ms. Harveen Kaur congratulated the classes and bequeathed the students with moral values that we gain from this auspicious festival.

October 22, 2019: Special Assembly on Diwali:

“Nothing can nourish the soul but light.” – Rumi

Candle lights, earthen lamps, the sweet smell of delightful sweets, the warmth of family and friends, and the chill of the upcoming winter season – these words paint a perfect picture of Diwali. Lamps and lightings are the essence of this festival. In this view, various activities like candle decoration, diya decoration and pop up card making were organized in the school premises. The activities displayed the utmost creativity of the students as they displayed spectacular pieces of decoration.

All these activities eventually led to a grand special assembly which was conducted by Grade IV. The assembly commenced with informative speeches, recitations and the recital of a beautiful devotional song. The assembly also featured enchanting enactments which represented the glory of Lord Ganesha, Goddess Saraswati and Goddess Laxmi. The festivities culminated with the enlightening words of the School Principal, Ms. HarveenKaur who congratulated the students and motivated them to celebrate a green Diwali.

November 13, 2019: Special Assembly on Guru Nanak Jayanti:

“There is but one God. True is His name, creative His personality and immortal His form.”

- Guru Nanak Dev Ji

Mind Tree School observed a special assembly on the auspicious occasion of 550th Birth Anniversary of the revered saint, messenger of God and the form of God himself, Guru Nanak Dev Ji. The divine spirit of this propitious day illuminated the school campus with its charm and holiness.

The alluring assembly was organized by Grade VII students who put in all their efforts to devour the whole school into the divine spirit. Spiritual calm pervaded over the audience as the assembly started with an eloquent shabad, 'Nanak Aya, Nanak Aya', illuminating the exaltation of the deeds and glory of Guru Nanak Dev Ji. A holy anima engulfed the surroundings during the recital of Shri Anand Sahib Path and replenished everyone present at the celebrations. Audio aids unfurled episodes from Guru Nanak Dev ji's life which inspired the students to follow the same path of righteousness set up by him. The assembly concluded with the Ardass revered in the name of Lord, seeking his blessings. The School Principal, Ms. Harveen Kaur addressed the gathering and extended her greetings to each and every member of the school present at the celebrations. She shared some of Guru Nanak Dev Ji's teachings and motivated the students to dwell in the divine nectar of his teachings. The assembly was full of valuable insights and concluded with distribution of prashad.

November 12, 2019: Adventure Camp:

"Seek adventures that open your mind."

Young children profoundly explore and embrace the spirit of adventure. In the wake of Children's Day festivities, Mind Tree School organised an adventure camp so that the children spend some time in the lap of nature and thoroughly enjoy what they love- jumping, playing and prancing. The camp was set in natural and outdoor surroundings which provided an aroma of fresh air. The day long adventure capsule was filled with fun activities and confidence building games. The enthusiastic Mindtreeans ecstatically took part in all the activities and won laurels and accolades from the camp staff.

November 23, 2019: Star Gazing Event:

'The Stars are the street lights of eternity.'

The twinkling stars make the children wonder about what they are right from a very young age. This curiosity and fascination with stars gradually transforms into a spiral of knowledge. To intensify the students' curiosity regarding the scientific cognition behind the formation of stars and galaxies, a panel of astro experts from Pune orchestrated the star gazing event and presented the students with a bag full of interesting facts and ideas. The event featured a sky show and a number of activities which were done with the help of telescopes. Students got a chance to view planets like Jupiter, Saturn and deep sky objects like the Andromeda Galaxy at the event. Students thoroughly enjoyed the event as they engaged themselves in discovering satellites in the night sky.

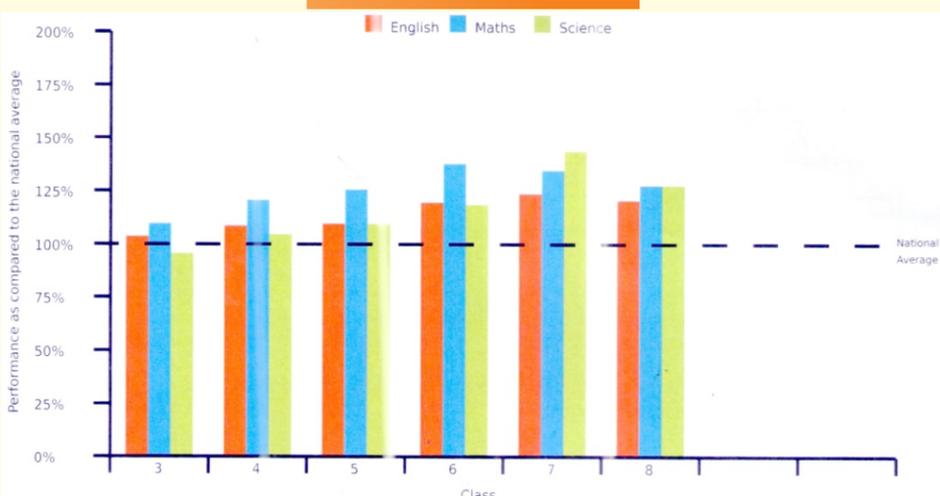

MINDTREEANS EXCEL IN ASSET 2019

Mind Tree School participated in the ASSET (Assessment of Scholastic skills through Educational Testing) for Grades III to VIII in the subjects: English, Maths and Science. ASSET is a one of its kind national level benchmarking test. It is a skill based assessment which assesses conceptual learning and skills developed rather than testing rote learning.

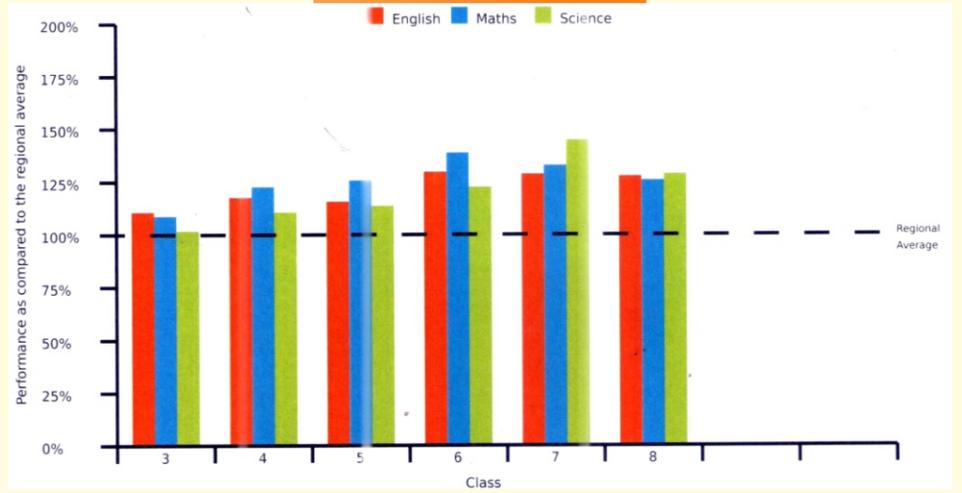

The results for ASSET 2019 are out and students of Mind Tree have done the school proud by demonstrating brilliance in this prestigious test. There are some noteworthy insights from Mind Tree school's participation this year. The performance of grades V, VI, VII and VIII has been better than the national average in all the participated subjects.

It would be worth mentioning that 26 % of participating students are among the top performers nationally. The Director and the Principal congratulated these students for their distinguished and creditable performance and inspired others to aim higher and strive to achieve academic excellence.

EDUCATORS' CORNER

October 29, 2018: Workshop on ELT and Assessment Strategies for Changing Scenario:

"If a child can't learn the way we teach, maybe we should teach the way they learn."

Members of Mind Tree staff attended a workshop orchestrated by the renowned CBSE resource person, Dr. Gayatri Khanna. The interactive workshop focused on the changing scenario of education and how

teachers could work as the ignition required to light up the young minds. Ms. Khanna shared numerous worksheets and techniques to engage students in order to intensify their English Language learning and comprehensive skills. The workshop also enlightened the teachers about the evolving CBSE methodology and the pedagogical approach of learning and assessing. She addressed the challenging issues faced by ELT teachers. She introduced various audio and visual learning aids in order to trounce the challenges and make English an interesting subject for the learners. The workshop was a fun ride which the ELT teachers thoroughly enjoyed and gained a lot of insight from.

October 29, 2018: Wellness Programme for Parents, Teachers and Students:

'Your children will become who you are; so be who you want them to be.'

Mind Tree school invited the eminent psychologist, Dr. Sohan Singh to address the students, teachers and parents in the changing scenario for healthy parenting, teaching and learning. It was an opportunity to brainstorm and discuss about the key issues faced by children and parents alike. The workshop was divided into different phases wherein he addressed the teachers and parents on how they could help children succeed at school and enhance the overall wellness of children. He focused on parents' involvement in the academic achievements of children. The session was interspersed with some witty examples to demonstrate how we can become our children's best friends and at the same time help our children to be themselves. The resource person shared tips on how we can save ourselves and our children from digital abuse. The workshop offered various modalities to keep focus and enrich the learning experiences of students.
