Parichay – The Orientation : New Academic Session 2022 – 2023:

The most overwhelming key to a child's success is the positive involvement of parents." It is well known that teachers and parents both play vital role to bring all round holistic development of a child. On Saturday, 2nd April, Mind Tree IIT Mandi Campus School heartily welcomed the parents to Parichay - The Orientation Programme. The new class teachers introduced themselves to the parents and gave an insight into teaching methodology, curriculum, pattern of assessments and school rules through a brief presentation. The teachers answered all the queries of the parents and thus the interactive session became enjoyable and fruitful. The satisfied parents appreciated the efforts of the school for the full flowering and optimum development of their wards.

Science Congress:

Students of different grades participated in the H.P. State level Science Congress 2022, theme: Science for Sustainable Living. Science Quiz, Maths Quiz, Scientific Research projects and Science Activity for seniors and juniors were the different categories for the students to participate. Swastika of grade X bagged the 1st prize in the State level Science quiz. It was a proud moment for the whole school.

KINDERGARTEN WING

April 13, 2022: Fun with Colours - LKG:

LKG students participated in a fun filled and colourful activity on 13th April 2022. The students were encouraged to play with different colours. They used their imagination and coloured the drawing sheets beautifully. It was a very interesting activity, which they enjoyed.

April 26, 2022: Cotton Dabbing Activity - Nursery:

Cotton Dabbing activity was performed as a part of class activity schedule in the nursery class. Students learnt about Gross and Fine motor skills. Dabbed Coloured cotton and A4 size sheet with pictures of different fruits were provided to the students. This activity helped the students to develop control on body movement, improve eye - hand coordination.

April 27, 2022: I am a Singer (Singing Activity) - LKG:

Music ignites all areas of child development and skills for school readiness, including intellectual, social-emotional, motor, language, and overall literacy. It helps the body and the mind work together. Exposing children to music during early development helps them learn the sounds and meanings of words. So, the "I am a Singer" activity was organized for the students of LKG on 27th April 2022. Students sang beautiful Rhymes, English and Hindi songs. It was a delight to hear to the tiny tots.

April 28, 2022: Welcome Art & Craft Activity - UKG:

Our UKG students enjoyed hand printing activity at school. Under the supervision of their respective teacher, the students dipped their hands in yellow colored paint which was taken out on a plate. They imprinted their palms on the chart paper. It was a single handprint of making a chick. After drying the chart papers we made eyes and their legs with red color.

May 10, 2022: String the Beads Activity - Nursery:

In order to develop fine motor skills and eye/hand coordination of the students 'string the beads' activity was conducted in the class. Students were asked to come one by one, recognise different colours beads and then string the beads of different colours in a small rope. Students were excited to participate in the activity and shown keen interest and joy while performing the activity.

May 11, 2022: Sound and Picture Matching Competition - LKG:

Sound and picture matching completion for LKG was organized on 17th May, 2022. This activity was planned and organized to develop the cognitive and language skills of the students. Celebration & Jubilation

May 01, 2022: May Day Celebration:

May Day was celebrated to teach the students the valuable lesson in dignity of labour and respecting 'workers' for working tirelessly. The programme started with a video that highlighted the historical events related to May Day. Principal congratulated the supporting staffs of the school and thanked them for their selfless services.

In her speech she also mentioned how with full dedication they take care of the children; ensure the hygiene and security of the school. A brief cultural program comprising of a group dance was presented to commemorate the day. Support staffs were presented cards, flowers and other gifts. They were overwhelmed watching the function and expressed their gratitude.

May 07, 2022: Mother's Day Celebration:

"A mother is she who can take the place of all others, but whose place no one else can take".

With unique creativity God created 'Mother', the emblem of unconditional love, compassion and sacrifice. Mother's Day was celebrated to pay special tribute to this Godly creation. All the mothers were invited to spend a memorable day with activities and fun. The competitions were followed by cultural programme.

The stage came alive with the duet dance performances. The students exhibited their love and emotions for mothers. To bring a smile on the faces of beloved mothers, our school conducted special competitions like Fashion show, Know your Child, Designer's Merge T-Shirt painting and Antakshri. The enthusiastic moms participated in the competitions with great zeal. Finally Principal Ms. Gulshan Dewan thanked the mothers and inspired the children to be humble, respectful, and obedient to the mothers. The winner mothers were awarded.

May 31, 2022: Investiture and Award Ceremony:

Investiture Ceremony for the academic year 2022-23 was held on 31st May in the school amphi theatre, amidst an air of enthusiasm and anticipation to induct the new Student Council for the session. The chief guest for the occasion Prof. Laxmidhar Behera, Director of IIT Mandi was cordially welcomed and felicitated by the Principal, Ms. Gulshan Dewan and Dr. Sanjay. The programme was commenced with the lighting of the lamp followed by shloka.

To invoke the blessing of Maa Saraswati, Goddess of wisdom and learning, students performed a dance. The school appointees were then felicitated with badges and sashes of honour by the esteemed dignitaries who graced the occasion with their benign presence. The principal administered the oath of allegiance whereby the students pledged to carry out their responsibilities with

integrity and dedication, so as to uphold the glorious name of the school. The march by all the prefects was a spectacular event which set the mood for the event. Kanjan, the Head Boy and Swastika, the Head Girl in their speech inspired the newly elected members and told that they will work together to hold high the flag of Mind Tree School. The leadership song was presented by the school choir that enthralled all.

Next Prize distribution ceremony was held the same day to felicitate the students for excellence during online classes. In his speech, Chief Guest congratulated the newly appointed school prefectorial board. He asked them to use these opportunities and advised the young leaders to embrace the change, to practice selflessness, and to work towards achieving their dreams. The event ended with finale, a unique spectacular dance performance, depicting the importance of education in empowering today's youth.

June 05, 2022: World Environment Day Celebration:

To sensitize future generation regarding environmental protection the School observed World Environment Day in a unique way. Students were made aware of the World Environment Day theme 2022- Only One Earth which calls for collective, transformative action on a global scale to celebrate, protect and restore our planet. All the students of the school participated in different groups and ended up making theme related posters, models and crafts. The emphasis was on "Trash to Treasure."

EDUCATORS' CORNER

May 29, 2022: Teacher's Training Programme "Thinking about Thinking":

Ms. Harveen Kaur, Principal, Mind Tree Kharar conducted a workshop on the six thinking hats. She explained the concept and made the teachers participate in interactive games concentrated on the six thinking that concept.

"Six Thinking Hats" is a way of investigating an issue from a variety of perspectives, but in a clear, conflict-free way. It can be used by individuals or groups to move outside habitual ways of thinking, try out different approaches, and then think constructively about how to move forward.

June 10, 2022: International Student interaction:

In education system student interaction is considered the best tool for learning from peers. An international student interaction session was organised for the students of grade VIII, IX and X, where 3 school students (Grade 6th, 9th and 11th) and a teacher from Germany (visitors) came to Mind

Tree IIT Mandi Campus School and interacted with the students. The discussions included the basic education system, co-curricular activities in and out of school, hobby clubs, learn by doing farming, horse riding etc. in both the countries. The discussion became very interesting when more and more students started participating and sharing their views. It was a great learning experience for everyone present there and the students enjoyed the interaction to the fullest.
