### Conscious Parenting Workshop by Dr. Harish Sharma:

A well equipped and an informative workshop for parents was conducted by a renowned Clinical Hypnotherapist and Psychologist Dr Harish Sharma on 21st July, 2019 in Mind Tree School. He acquainted the parents with the current information on child development and provided many useful parenting tips. His main stress was on a friendly relationship between parents and their children. He advised the parents to follow the rule of 80/20 (i.e. they should act 80% as a parent and 20% as a teacher). The parents were really impressed and felt benefitted from the workshop.
