ANNOUNCEMENT

Sr. No.	Dates
1.	Parent Teacher Meeting KG, I - II May 23
2.	Parent Teacher Meeting III - X May 30

December 17, 2025: Annual Athletic Meet (Zestreethon) - Grades III - X:

December 18, 2025: Annual Athletic Meet (Zestreethon) Juniors - Kindergarten & Grade I & II:

The Annual Athletic Meet was a vibrant celebration of energy, sportsmanship and teamwork. The day kicked off with the Principal releasing colorful balloons, followed by enthusiastic March Past and a variety of exciting races and fun activities for juniors and seniors alike from 50m races and hurdles to sack relays, hoop rolls and even teachers' races! The event showcased coordination, discipline and participation, with Jal House winning overall and Prithvi House crowned Best Marching House.

January 31, 2026: Blessings Galore:

Blessings Galore - the Grade X farewell, was a warm and graceful celebration of memories and milestones. Welcomed with tilak and blessings, students enjoyed vibrant performances by Grade IX and shone through a confident ramp walk, heartfelt speeches and poems.

The ceremony ended on an emotional note with mementoes and awards, sending the outgoing batch forward with pride, love, and best wishes.

February 21, 2026: The Rainbow Festival: A journey through colours, values & dreams – ANNUAL DAY – Grade -I-II:

The Annual Day presentation by the students of Grades I and II was a delightful and imaginative performance that brought to life the story of how a dark and colourless world gradually discovered the beauty of colours. Through lively dances, charming skits and melodious songs, the young performers depicted how each colour added joy, energy, and meaning to the world around us.

With vibrant costumes, confident expressions and enthusiastic participation, the children captivated the audience and conveyed the message that colours make our world brighter and more beautiful. The performance was a wonderful blend of creativity, teamwork, and innocence, leaving everyone with smiles and warm appreciation for the efforts of the little stars.

March 7, 2026: Tiny Feet, Global Beats - ANNUAL DAY – Kindergarten:

The Annual Day celebration of the Kindergarten Wing was a vibrant display of talent, culture and creativity with the theme "Tiny Feet, Global Beats." Our young performers took the audience on a joyful journey around the world through music, dance and artistic expressions. The colourful performances beautifully reflected unity, diversity and teamwork, leaving the audience mesmerized. The event concluded with inspiring words from the School Principal and proud smiles, making it a memorable celebration of learning and global togetherness.

March 10, 2026: UKG Graduation Day:

The school proudly celebrated the Graduation Day of the Upper KG students, a special moment in their early learning journey. Wearing charming graduation caps, the young learners looked confident and excited as they prepared to step into the next stage of their academic life. The occasion was made memorable with delightful performances and encouraging words from the School Principal, emphasizing the significance of strong foundations in early education.

KINDERGARTEN WING

December 3, 2025: Missing Number Mystery (Missing Numbers) - LKG:

The *Missing Number Mystery* came alive as LKG students eagerly cracked number clues using worksheets, cards and flashcards. The fun-filled activity boosted number recognition, quick thinking and confidence turning maths into a joyful adventure for our young learners!

JOURNEYS BEYOND THE CLASSROOM

February 3, 2026: Visit to Sohana Gurudwara – Grade-IX:

The school organized a spiritual and educational visit for Grade 9 students to Gurudwara Singh Shaheedan. Students participated in Ardas and Kirtan, observed the gurudwara's beautiful architecture, and experienced the spirit of equality through langar and sewa. The visit offered valuable lessons in humility, service, and appreciation for India's rich cultural heritage.

February 25, 2026: Field trip to Chhatbir Zoo – Grade-I-II:

Grade 1 and 2 students had a joyful and enriching visit to Chhatbir Zoo, where they excitedly observed animals and birds up close. The trip helped them connect classroom learning with real-life experiences while building curiosity, observation skills and awareness about wildlife conservation. It was a day filled with fun, discovery, and memorable learning.

INTER HOUSE ACTIVITIES

December 20, 2025: Project Day – Anantam:

Anantam – School Project Day came alive as students showcased creative models and activities across Maths, Science, Social Science, English and Arts. From interactive games and experiments to vibrant artworks and fun language activities, the exhibition highlighted innovation, hands-on learning and collaboration—making it an enriching and enjoyable experience for all.

February 9, 2026: Inter House Quiz – Anagata:

The Inter-House Quiz Competition – Anagata was a lively showcase of intellect and teamwork. The four houses competed in exciting rounds on current affairs, Mathematics, Science, and mental ability. In a thrilling finish, Akash House emerged victorious, with Agni House as the runners-up, reflecting true brilliance and healthy competition.

WIDENING HORIZONS

February 23, 2026: Awareness about Socia Media – Grade – V-IX:

The workshop “Awareness About Social Media” was conducted for Grades V–IX by Ms. Harsimran from Persocrafters. The session highlighted responsible online behaviour, digital footprints, cyber safety, and mindful social media use, encouraging students to become responsible digital citizens.

CHAMPIONS CORNER

Congratulations Hansika Bhateja!

We are thrilled to announce that Hansika has secured the 3rd place nationwide in the Abacus National Level Exam! Her dedication, focus, and hard work have truly shone through. Kudos to her amazing achievement!

Celebration & Jubilation

December 23, 2025: Veer Bal Diwas:

Saluting courage. Honouring sacrifice.

On Veer Bal Diwas, the school paid reverence to the young Sahibzadas by screening an inspiring movie for the students. Through this engaging storytelling, children learned about courage, sacrifice, and the spirit of bravery, leaving them motivated and inspired by the tales of our young martyrs.

December 23, 2025: Christmas – Kindergarten:

Our Kindergarten Christmas Assembly was a joyful celebration of love, peace, and sharing! The school transformed into a winter wonderland, with bouncy songs, lively dances, fun activities, and a special visit from Santa spreading smiles all around. Tiny tots filled the day with laughter, cheer, and the true spirit of Christmas!

January 26, 2026: Republic Day – Kindergarten:

The school celebrated the 77th Republic Day with great pride and patriotic spirit. Our kindergarten students participated enthusiastically through poems, skits, and vibrant dance performances that reflected the values of freedom and unity. The programme included the Flag Unfurling, National Anthem, and an inspiring address by the Principal, making it a memorable and meaningful celebration for all.

February 10, 2026: Mahashivratri – Grade-I:

The Mahashivratri celebration by Grade-I students was a divine and heartwarming event. Through mantras, speeches, bhajans, poems, and graceful dances, they beautifully expressed devotion and positivity. Their enthusiasm and confidence made the celebration truly memorable and a proud moment for all.

EDUCATOR'S CORNER

December 13, 2025: Strategies to Enhance Teaching Learning Process Post-ASSET Analysis:

A productive session on ASSET Analysis & Teaching Strategies brought teachers together to review results in Science, English, and Maths. They shared practical tips, tackled common misconceptions, and discussed ways to improve learning outcomes—aimed at boosting student performance and making teaching more effective.

February 12, 2026: Explorations and Problem Solving in Mathematics:

"Mathematics is not just about numbers, but about understanding."

With this spirit, our Maths faculty participated in the National Level Workshop on "Explorations and Problem Solving in Mathematics" at IISER Mohali, in collaboration with the Mathematics Teachers' Association (MTA) of India.

The three-day program engaged the teachers in enriching discussions, hands-on activities, and innovative strategies to strengthen conceptual understanding and foster a deeper love for mathematics in classrooms.
