Dear Parents

Regular attendance plays a vital role in a child's academic progress and overall development. A full day at school enables students to actively engage in both scholastic and co-scholastic activities, helping them build a consistent routine and experience uninterrupted learning.

In view of this, we would like to remind you of the policy of our school regarding early departure. Once a student has reported at school, he/she is expected to remain on campus throughout the school day. In case of a genuine emergency, a student may be handed over only to the parents and such leave will be granted only once per term. Please note that marriages, family functions or personal travel plans do not qualify as emergencies and are not considered valid reasons for half-day leave. Kindly refer to page no. 21 of the Link Book regarding the same.

We seek your continued support in helping us maintain a productive learning environment.
