### Celebrations & Jubilations

**June 04, 2019: World Environment Day & Eid-UI-Fitr :**

*"The environment is where we all meet, where we all have a mutual interest, it is the one thing all of us share."*

*-Lady Bird Johnson*

World Environment Day is a campaign established to bring some positive environmental changes all over the world to make life better and more natural.

This day was created to promote people to work for environmental issues and become active agents of the sustainable and eco-friendly development world-wide. We also celebrated Eid-ul-Fitr as it is a Muslim holy day that marks the end of Ramadan, the Islamic holy month of fasting.

Eid is an Arabic word meaning "festivity", while Fitr means "to break fast"; and so the holy day symbolizes the breaking of the fasting period.

**June 21, 2019: International Yoga Day :**

*"Yoga is not a religion. It is a science, science of well-being, science of youthfulness, science of integrating body, mind & soul"*

*-Amit Ray*

Yoga is an invaluable gift of ancient Indian tradition. The word yoga literally means union. It embodies unity of mind & body; thought & action; restraint and fulfillment and a holistic approach to health & well being. Students of Mind Tree celebrated 5th International Yoga Day under the guidance of Ms Mohsina Beg in order to create awareness of the wholesome effects of yoga.

**August 14, 2019: Independence Day & Raksha Bandhan :**

Independence Day & Raksha Bandhan happened to be on the same day. We celebrate these days with lots of enthusiasm and joy every year. Independence Day is celebrated to rejoice our freedom that we achieved in 1947 from the British rule. We also celebrate Raksha Bandhan as a sacred day when the sister's love and affection for her brother is depicted by tying the holy thread known as 'Rakhi' on her brother's wrist. To celebrate these two special days students of Grade I, II & III performed dances on various songs dedicated to our country and depicting the sacred value of Raksha Bandhan.

Principal Ma'am appreciated the students for their efforts and addressed everyone. Special Assembly ended with the National Anthem.

### August 23, 2019: Janamashtmi :

Happiness is a state of mind that has nothing to do with the external world. Janamasthmi is the birth of Lord Krishna. Krishna was born in Mathura. He was the son of Vasudeva and Devki, but was brought up by Yashodha. Krishna was a very mischievous child. He is considered to be the eighth incarnation of Lord Vishnu.

We celebrated this sacred day in our school on 23rd August, students of Grade I, II and III performed various dances in beautiful attires of Lord Krishna & his Gopis. The school was echoing with chants of Lord Krishna. Principal Ma'am appreciated the students for their efforts and special assembly ended with the National Anthem.

### September 05, 2019: Teachers' Day:

If there were no teachers, all other professions would not exist

Teachers' Day is observed every year on 5th September. We celebrate teachers' day with lots of joy, happiness and enthusiasm. Teachers' day is a very special day which is special for appreciation of

teachers. The other reason for celebrating teachers' day is, that it is the birth anniversary of Dr. Sarvepalli Radhakrishnan. Our students of Grade - III conducted the special assembly very immaculately. Rijul & Aaditya were the anchors for the special assembly. Grade III students gave a dance performance, speeches and poetry recitation in praise of teachers & Dr. S. Radhakrishnan. Principal Ma'am paid reverence to Dr. S. Radhakrishnan by lighting the lamp. Special assembly ended with the National Anthem.

### September 06, 2019: Grand Parents' Day :

Grand Parents are like sunshine rays in the life of grandchildren. It is rightly said "When Grand Parents' enter the door, discipline flies out of the window". A garden of love grows in a grandparent's heart.

When it comes to loving grandchildren, Grand Parents make an exception. Their love is unconditional, unbinding, pure and non-demanding. Our grandparents need nothing more than love and some time from our schedule. Thank you Grandparents for being a part of your grandchildren's lives.

We Mindtreeians celebrated Grand Parents' Day on 6th Sept. Students of Grade - II gave various dance performances dedicated to their grandparents. Principal Ma'am appreciated the students. Special assembly ended with the National Anthem.

### September 13, 2019: Hindi Diwas :

India is one of the most diverse countries in the world comprising numerous religions, customs, traditions, cuisines and languages. Hindi is one of the most prominent languages of India.

Hindi got an exalted status in India when on Sept 14, 1949, it was adopted as the official language of the country. Hindi Diwas is celebrated with great enthusiasm in educational institutes. In today's highly commercialized environment where people are forgetting their roots, Hindi Diwas plays a significant role. It not only encourages people to stay in touch with their roots but also propagates as well as promotes Hindi.

We Mindtreeians also celebrated Hindi Diwas with great enthusiasm. Students of Grade II & III performed a skit on Hindi Diwas. They also gave speeches & recited poems to tell us about the importance of Hindi Diwas. Principal Ma'am addressed the gathering and appreciated the students for their efforts.
