December 10, 2023: Adventure Camp-Grade I, II & III:

Adventures are the best way to learn. They not only foster a spirit of adventure, but also team work and physical fitness. A fun-filled adventure camp was organised for Grade I to III, in the school premises. The aim was to create an environment where young learners discover their abilities, set their own boundaries and interact with one another, determined to be actively involved in activities as a team. A variety of stimulating activities, including Zipline, Commando Crawl, Burma Bridge, Wall Climbing, Magical Maze, Commando Net, Laser Beam, Hopscotch, Hamster Wheel, Hoppity Hop, Tug of War and Sack Race helped the students in enhancing their confidence and self-esteem to overcome their fears in a protected environment. Children enjoyed the beautiful moments with their peers as laughter, positivity and happiness marked the vibrant atmosphere on the campus.

December 15, 2023: Double Frog Race - Grade II & III:

Educators' Corner

November 4, 2023: Parents' Workshop - Grade II&III:

In the present era of technological advancements, electronic devices and gadgets are occupying most of our time. Addiction to mobile phones is one such issue that is emerging as a great problem as it is affecting our mental, emotional and physical health. In order to educate the parents of the wards regarding the repercussions of this issue and the means to avoid them, the school organised a workshop on 3rd November, 2023, entitled, 'Addiction to Mobile Phone'. Dr Alka Sharma, a renowned psychologist was invited as the resource person to share her knowledge on the subject with the parents. She emphasized that parents reduce their screen time as much as possible and urge their children to do the same. She insisted that parents refrain from using their mobile on the dinner-table and first thing in the morning. She suggested that they plan activities that permit them to spend more time with their children, which includes playing, going for a walk, reading and so on. It was quite an informative session and highly appreciated by all the parents.

December 15, 2023: Science Quiz Competition - Grade III:

A quiz competition is an interesting way to encourage children to read, learn and expand their knowledge. With this idea in mind, a Science Quiz Competition was held for Grade III students. The young wizards amazed everyone with their knowledge of the subject and received much applause. Aakash House won the competition with its outstanding performance. The participants of the winning house were:

Rupanjali- A, Yohaana Dhir- B, Avvyam Kansal -C, Rudransh- D and Amaira-E.

November 19, 2023: Special Assembly on Appreciation:

Just as important as being appreciated is showing appreciation. Appreciation makes people feel valued and drives them to do their best. Not only that, it nurtures relationships, fosters positivity and boosts happiness. Students of III- E presented an act on Appreciation which shed some light on the fact that how we tend to overlook the little acts of kindness that others do for us in order to makes us successful and comfortable.

PETER PAN

The students of Grade II and III enthralled the audience with a fantastic musical representation of the magical children's story, "Peter Pan" by J.M. Barrie. It follows the adventures of the Darling children and Peter Pan, a boy who never wants to grow up. Peter Pan flies into the Darling nursery and convinces Wendy and Michael to come to Neverland with him and his fairy friend, Tinker Bell. Their journey to Neverland is full of adventure as they meet the Lost Boys, Indians and battle with the notorious Captain Hook and his pirate crew. Soon, Wendy and Michael become homesick and return home to their parents. This classic tale shares a valuable lesson- **Getting old is inevitable, but growing up is a choice. Embrace your inner child no matter what age you are.**

Ms Sudha Mathur (Director-Principal, Mind Tree School, Panjokhra), Ms Pushpa Sharma (Principal, Mind Tree School, Naraingarh) and Ms Seema Sharma (Principal, Mind Tree School, Shahbad), Mr Vijay Kumar (DSP, Jhajjar), Ms Kirti Jain, Mr Amit Jain, Mr Sahil Gupta, Ms Shilpa Gupta (Managing Trustees, Mind Tree School, Shahbad) and Dr. Deepika, Mr Amit Sharma (Additional Chief Judicial Magistrate, District Courts, Ambala), Ms Anupamish Modi (Additional District and Sessions Judge, presently posted as Presiding Officer, Industrial Tribunal- cum- Labour Court, Ambala), Mr Ritesh Goyal (Managing Trustee, Mind Tree School, Shahbad), Mr Pradeep Virk (former IPS- 2006 batch, presently practising in the Hon'ble High Court, Chandigarh) and Ms Dipti Vashisht, Executive Engineer (Technical), Bhakhra Beas Management Board presided over the function.

Students won the audience's heart with their magnificent performances. Here is a glimpse of the same:
