### ACADEMIC SESSION 2019-20

We at Mind Tree School, strongly believe that each child is special. It is our constant endeavour to unleash the treasure in each child, through a well crafted curricular and co-curricular programme. An array of exciting events and activities fill up the Mind Tree Calendar. We hope the students enjoy every bit of their time at school, discover their true calling and march ahead in true Mind Tree spirit.

#### Parichay, Orientation Programme for Parents held at Mind Tree School:

*"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents."*

- Jane D. Hull

Education is a shared responsibility that is carried on by dedicated teachers, motivated students and enthusiastic parents. Parents are the first teachers who motivate and enlighten their children as they create an environment where their children experience learning. The child is the center of cosmos for both parents and teachers.

Parichay, the Orientation Programme was organized at Mind Tree School to acquaint the parents with the methodology, planning and strategies for the upcoming session. Parents were elucidated about the comprehensive approach followed by the school. This interactive session reflected upon the methodology to be followed for scholastic and co scholastic areas.

Parents were briefed about the assessment structure, teaching methodology, learning variables, activity schedules and the new concepts being introduced in this academic session. Parents were furnished with the affirmation that the prolific and fertile module of the school will facilitate the children with plenty of opportunities to showcase their talents and learning abilities. The Orientation programme ended on a positive note with the objective of developing social, cultural, comprehensive and skilful aptitude of the children.

**Mind Tree School's excellent performance at Inter School Skating Tournament**

Students from Mind Tree participated enthusiastically in an Inter-School Skating Tournament which was organised at Gillco International School. Students participated in different categories which were divided based on the age groups of the participants. The shining stars of Mind Tree made their mark as they proved their mettle by achieving laurels in all the categories. Harpita Kaur from grade IVC bagged the first position and secured a gold medal in 500m race in the age group of 8-10 yrs. Shubham Singh from Grade VA bagged the bronze medal in 500m race in the age group of 10-12yrs.

They both have made the school proud by being at the top of their game and showing true excellence in their performance.

## April 12, 2019: Special Assembly on Baisakhi Celebration:

“The Earth is what we all have in common.” – Wendell Berry

The festival of Baisakhi symbolises prosperity and delight which brings forth the bloom of spring. It is considered one of the most auspicious occasions and is celebrated with ardour. The cardinal festival of Baisakhi is the prime harvest festival of Northern India. Mind Tree School commemorated this day with a special assembly. The assembly was a celebration of the festivities that encapsulated the essence associated with Baisakhi. Students of Grade VII endeavoured to make this assembly a great success. They shared snippets and stories equated with the importance of the day. The ecstatic students delivered speeches and rendered soulful verses from poetry and classic songs. Corresponding to the traditional festivities, the assembly concluded with a power packed performance of bhangra that filled up the venue with energy. School Principal, Ms. Harveen Kaur shared her blissful insights and congratulated everyone on the arrival of the new harvest season.

## May 01, 2019: Special Assembly on Labour Day:

“No human masterpiece has been created without great labour.” - Andre Gide

The occasion of Labour Day was enthusiastically celebrated at Mind Tree School. The entire school gathered in the school auditorium to profoundly thank the support staff for their tireless efforts and staunch contribution to the school. A special assembly was organized by the students of Grade VI in order to give a stupendous reception to their favourite 'uncle' and 'aunties'. The celebratory venue was decked up in bright colours as the worthy workers settled on their decorated pedestals. A melodious song featuring the merits of hard work captivated the audience's attention. The special assembly highlighted the issue of Child Labour and the plight of child labourers who were deprived of the basic human rights. A tear jerking dance act moved the audience as the students presented a splendid performance. The emotional event progressed towards the pinnacle of the day as the support staff was felicitated for their hard work by the school Principal, Ms. Harveen Kaur and Director, Mr. Sanajy Kumar. The workers were conferred with gifts. The event culminated with a special message by the School Principal lightened up their day as she thanked them for their selfless service and emphasized upon their importance in the school premises.

## May 10, 2019: Special Assembly on Mother's Day:

All love begins and ends here.”

A mother is the first teacher. She is our angel dressed in armour. She is the guiding light that is the inspiration behind every success. Mindtreeans paid reverence to mothers on the tremendous occasion of Mother's Day with a Special Assembly. The special day was an amalgamation of emotions which left the audience with teary eyes. The assembly started with a soulful song which

gave the students an opportunity to address the audience and sing praises in honour of mothers all around the world. Next up was a heart rending dance performance depicting how our mothers' blessings guide us through the different stages of life. This heart warming performance left everyone swimming through the tides of their emotions. The assembly culminated with a beautiful message by the School Principal, Ms. Harveen Kaur who congratulated the students while reminding them that everyday should be celebrated as Mother's Day and wished their lovely mothers a Happy Mother's Day.

## EDUCATORS' CORNER

### Mind Tree Faculty Excels At National Level Contest:

In line with Mind Tree's philosophy to provide rich learning experiences to children and in turn make them better problem solvers and critical thinkers, the Mind Tree faculty members fervently participated in the Question Making Contest 'Are You A Thought Provoker' at the National Level. Ms. Aditi Kaushal, Ms. Gagandeep Kaur and Ms. Daljit Kaur won the contest and brought laurels to the school.

### April 01, 2019: Workshop on Curriculum Planning:

“Good teaching is more a giving of the right questions than a giving of right answers.” Planning is the most important step that leads to success in any venture. Education now a days requires more planning than ever before. In the emerging era of competition, students and teachers need to join hands to excel in their roles. In order to make this tedious task easy for the faculty, a curriculum planning workshop was organized in the school premises. It focused on the process of streamlining the educational procedures. A number of plans and policies were put forth and discussed during the course of the workshop. The objective of the workshop was to examine and analyze strategies of engaging students beyond the classroom teaching. The workshop helped in simplifying the process of planning and pivoting attention on student learning rather just presenting content.

### May 14, 2019: Motivational Workshop on Team Building:

“Alone we can do so little; together we can do so much.” - Helen Keller

A motivational workshop was organized for the school staff members who were orchestrated by a motivational speaker, Nishant Mahajan. The interactive workshop saw the school staff coming together by being part of various team building exercises and games. It was a fun filled event that focused on the idea of team work and the most important driving factor of our lives, “I” which binds the team together. The centre point of the interaction and the activities was that no goal can be achieved single handedly; it takes a team to reach the pinnacle.
