March 04, 2023: A Date With Disney - Kindergarten Annual Day Programme:

'The past can hurt, but the way I see it, you can either run from it or learn from it.'

'A Date with Disney' was the theme of the Annual Day Programme organized by the kindergarten section of the school. Various Disney stories formed the essence of the entire programme giving out some invaluable lessons to the audience present. The school auditorium was fully packed with eager and anxious parents of the kindergarten students who, for the first time, were performing on the stage. The students, attired in different Disney characters' costumes, were a sight to behold. Dance on famous Disney songs such as Frozen, Under the sea, were performed by the exuberant and high-spirited students.

Celebration & Jubilation

February 04, 2023: Blessings Galore - Grade X:

Ceremony to shower blessings and best wishes on the outgoing batch of Gr-X was organized by the students of Gr-IX on February 4. The seniors made a grand appearance in their best avatars and looked absolutely stunning. They were received at the entrance by their teachers who welcomed them with tilak and flowers. The juniors, on their part, had left no stone unturned to make the day a memorable one for them. Dance on a foot tapping number, stand-up comedy, skit, rap and a couple of delightful games were laid out to entertain the students. The school principal handed over mementoes and scrolls to the students

An act on the story of Lion King was another highlight of the function which saw the students displaying exemplary acting skills. The entire stage was set on fire when the whole batch of kindergarten students danced to the tunes of 'Everyone on the floor' with utmost precision and sync. Seeing their children on the stage acting and dancing like pros was a teary moment for many parents. The programme finished on a high energetic note with the entire audience and all present giving a standing ovation.

March 7, 2023: Graduation Day - UKG:

"Education's purpose is to replace an empty mind with an open one."

Every milestone achieved should be an occasion to celebrate so that we feel motivated and energised to take up the next step on a positive and optimistic note. In order to recognise the unrelenting efforts of our little mindtreeans of UKG and applaud the success story following it, the school celebrated the Graduation ceremony of the UKG students who will now enter Grade-I. The celebration began with a Prayer of Thanks through a graceful and elegant stuthi performed by the students of Grade-1 which was followed by a lively and animated welcome song. A conversational skit where the graduating students shared their experiences of the year gone-by as well as thanked their teachers was quite novel. The school principal, Ms. Harveen Kaur, bestowed honours on all the graduating students of UKG by presenting the scroll and adorning them with the graduating cap. The principal congratulated both the students and their teachers on the successful achievement of this first milestone. She further wished them success in the journey ahead. A celebratory dance and a graduating song brought the event to a successful end.

December 23, 2022: Anantam - Science & Maths Project Day:

Anantam - Science & Maths Project Day - was held at the school auditorium in which the students of the Grades VI to X presented various models and experiments related to Science and Maths. The parents of the students as well as general public turned up in large number to see the exhibition. Models of different machines, models representing functioning of different body parts, real experiments, fun games formed the part of the successful show. Students were in their best forms as they explained confidently the various exhibits displayed to the public and took on all the questions with elan. Such events do put their learning to testing but most importantly they help them to be more confident about themselves thus boosting their morale and assist them in growing up into more assured individuals.

January 21, 2023: Anagata - Grade VII - IX:

The four houses of the school - Aakash, Agni, Jal and Prithvi - pitted against each other in the Inter house quiz competition - Anagata. Four students were selected in each house from Grades VII to IX after a screening test. The quiz was conducted in different rounds and each round tested their different skills and capabilities. The competition was a nail biting experience for both the participants as well as the audience with the winners being uncertain until the final rapid fire round. Aakash House emerged the winners of the quiz closely followed by Agni House and the third position being clinched by Prithvi House. The school principal applauded all the teams on their active participation and awarded the winner's trophy to Aakash House.
